

Headmaster:
Mr Martin Boden MA (Cantab)
headmaster@kesbath.com

September 2024

Dear Candidate

Thank you for your interest in our permanent Senior Science Technician (Chemistry) role at King Edward's School, Bath.

We wish to appoint an enthusiastic and flexible Technician to support our busy Science Department. This is an exciting opportunity for an experienced professional to provide technical assistance in support of the academic staff of the Chemistry Team in the Senior School, with preparation and other related work which will assist in their teaching and examinations work. In addition, the position holder will be responsible for the line management and support of the other technicians in the Science Department.

If you feel you meet the criteria for this role, but Chemistry is not your main discipline, this can be highlighted in the cover letter and discussed at interview.

King Edward's School is committed to safeguarding and promoting the welfare of children and young people and applicants must be willing to undergo safeguarding screening, which includes successful clearance of an enhanced DBS check, receipt of satisfactory references and a pre-employment health questionnaire.

I hope that you find the supporting job description informative and pursue an application. The closing date for this vacancy is 8.30am on Monday 16 September 2024 and the completed application form and cover letter need to be sent to Heather Baker, HR Manager via her email address HR@kesbath.com. Interviews will be held within a fortnight of this date.

Yours sincerely

A handwritten signature in black ink that reads 'Tom Davies'.
